

# SEERY-LESTER WILDERNESS

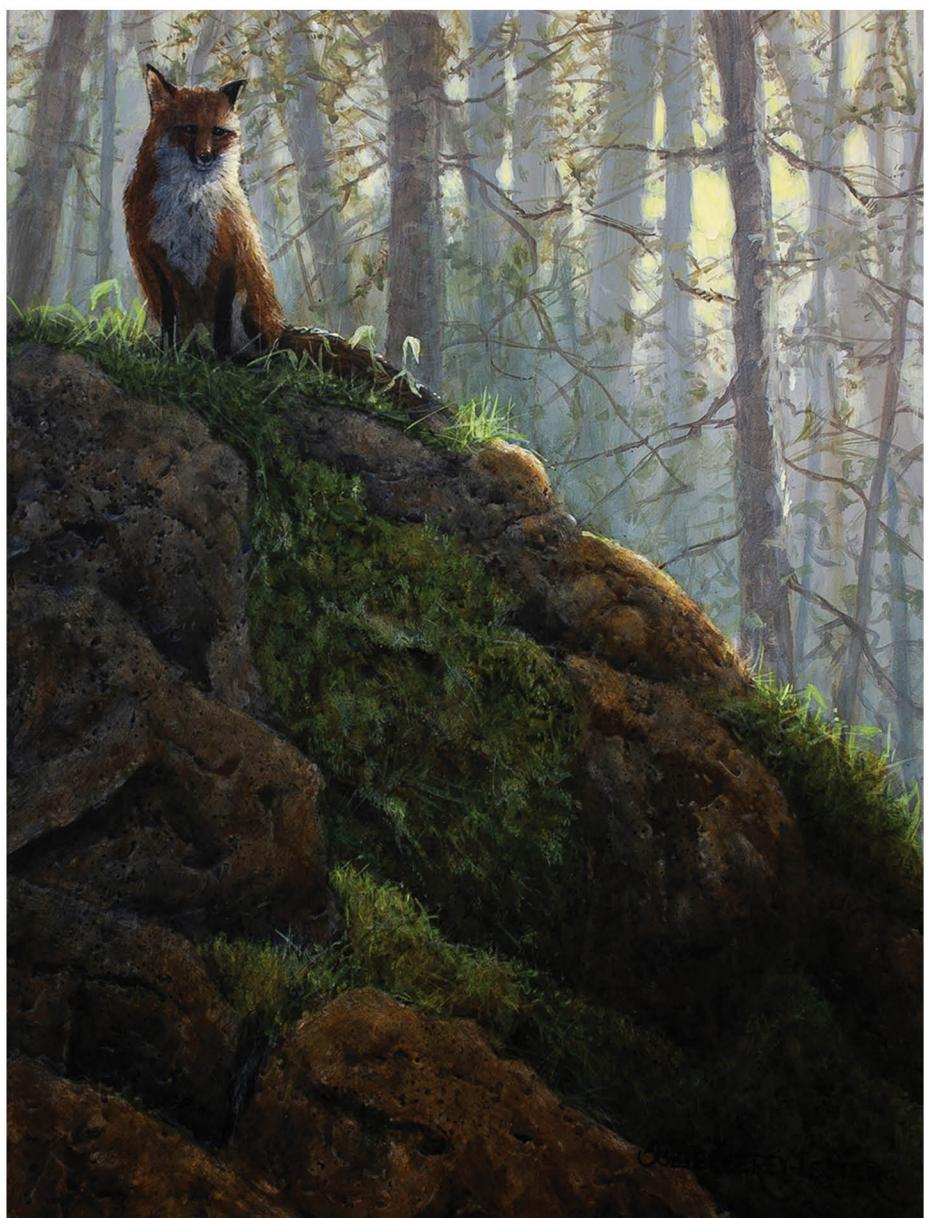

**September 27-30, 2026**  
**Painting Wildlife Like a Pro!**

This immersive MasterClass is designed for artists of all levels with **Suzie Seery-Lester**, helping you refine your skills and take your paintings to the next level. This is an opportunity to study and paint these incredible animals up close.

**Each morning**, we'll head into the field to observe, photograph, and sketch two wild animal species in their natural habitat. Possible subjects include mountain lions, wolves, grizzly bears, snow leopards, foxes, and bobcats in breathtaking settings.

**Afternoons** are spent back in the studio, where you'll bring your photos to life on canvas. Through live demonstrations, personalized critiques, and hands-on guidance, you'll gain valuable techniques to enhance your work. Bring your favorite paints and panels—whether you create a new piece each day or focus on a single masterpiece over four days.

**I can't wait to connect, create, and inspire together!**

**Sign Up Now This In Person Class Will Fill Up!**

This class fills up quickly and is limited to 10 people.

**The cost of the in person classes with morning animal photo shoots is \$1350.00.**
